UCITS DO NOT HAVE GUARANTEED PERFORMANCE AND PAST RETURNS DO NOT ENSURE FUTURE ONES

... we make sure it grows!

## Let us introduce ourselves

With more than three decades of presence in the Greek market (est. 1990), 3K Investment Partners has built a strong track record in mutual fund management, in offering a broad range of Luxembourg UCITS from NN Investment Partners—now Goldman Sachs Asset Management and in wealth management services. Throughout this journey, we have remained dedicated to delivering compelling performance and exceptional service quality to our clients.

Our mission is to provide high-quality, value-driven investment services. With this in mind, we offer an extensive range of investment solutions designed to meet every investment profile. At 3K Investment Partners, our solutions are crafted to align with the objectives of each individual portfolio, giving clients access to the full breadth of international and Greek capital markets through a wide selection of specialized investment vehicles, as well as personalized portfolio management services.

Portfolio management is about understanding and serving the unique aspirations of each client. Navigating risks and seizing opportunities in today's markets demands expertise, agility and, above all, a disciplined investment framework. Our long-term investment approach enables us to consistently achieve performance that surpasses benchmark indices through active management.

Above all, our team is committed to building meaningful, transparent relationships. We listen, we understand and we design tailored investment strategies that support our clients' goals—every step of the way.

## Mutual Funds

3K Investment Partners offers a comprehensive range of investment strategies, through the mutual funds it manages as well as the Goldman Sachs Asset Management UCITS that it distributes. We provide solutions for every investment profile—both in terms of risk level and market exposure—giving investors access to a wide spectrum of global opportunities.

## Portfolio Management Service

At 3K Investment Partners, our portfolio management service ensures a fully personalized investment experience, tailored to each client's needs and supported by dedicated, highly skilled professionals. This approach delivers significant, immediate benefits such as:

- Creation of a tailor-made portfolio designed to meet each client's specific objectives, leveraging the full spectrum of investment products available across international and Greek capital markets.
- Continuous portfolio adjustments in response to changing market conditions.
- Direct, personalized communication with specialized professionals for portfolio planning and ongoing fine-tuning.

Our portfolio management service is offered on a discretionary basis, within the framework and investment guidelines set by each client—whether private or professional. Portfolios may include one or more financial instruments, such as equities, bonds, mutual funds, or money market instruments.
